Reduce! Reuse! Recycle! And Save \$\$\$!

A PAYT program puts the control of trash cost in your hands - the fewer purple PAYT trash bags you fill, the less you spend. You'll be financially rewarded when you reduce, rouse, and recycle!

Reduce the amount of your trash even more by...

- Purchasing products packaged in materials the City of Concord recycles you can recycle them for free!
- Re-using items such as re-usable shopping bags.
- Recycling all paper that rips cardboard, glass jars and bottles, plastic containers and, aluminum and tin cans.

Below you'll find some creative and cost effective ways to save money...

- Make a backyard compost pile for kitchen/yard waste it's up to 12% of your trash's weight!
- Choose to use rochargoable batteries and long-life bulbs.
- BYOB (BringYour Own Bag). Use your own reusable bags when shopping.
- Use ceramic mugs, cloth napkins & towels, china plates and silverware instead of paper or plastic.
- Look for products with little or no packaging i.e. tools, fresh produce, dry goods.
- Avoid individually wrapped portions (cheese slices, juice boxes, etc.).
- Buy cereals, grains, etc. in BULK there's no additional wrapping or packaging.
- Take your own mug/thermos to the coffee shop often times you'll get a discount!
- Got rid of junk mail! Request that your name be removed from bulk mailing lists. Go to: www.dmachoice.org/dma/member/regist.action
- Use concentrated products, such as juice and household cleaners.
- Buy reusable instead of disposable items, such as razors.
- Donate useful items such as books, furniture, or clothing to a local thrift store and/or donate them to your favorite charity.
- Give unwanted items away on www.FreeCycle.org.

Questions? At your convenience please visit www.onconcord.com. Or call 228-2737 during normal business hours.

Food & Yard Waste can be up to 25% of your trash. Buy a compost bin or make a compost pile and SAVE \$! For more composting details visit: www.des.nh.gov then do a site search for "composting"
